

CLEAR + BRILLIANT TREATMENT

Post-Treatment Care

- Your skin will look and feel like you have a sunburn
- Heat in the skin will dissipate within an hour or so
- Skin could appear red or pink for 2-3 days and rough, dry skin for 7-10 days.
- Allow skin to heal; do not rub, scrub or exfoliate.
- Use mild moisturizer and mild cleanser.
- Avoid exposure to sunlight.
- Avoid heavy sweating for 24 hours.
- Avoid super-hot showers, hot tubs or saunas.
- Use SPF 30+ sunscreen daily.
- Mild swelling is normal and resolves in a few days post procedure.
- Once irritation and roughness resolves you can resume your normal skin care regimen.
- Call the office with questions or concerns
- Next treatment can be done in 4 weeks
